

BESSBOROUGH ROAD DROP-IN

POSTED: 16/11/2017

Many thanks to those who attended our drop-in session to view the proposals for the Bessborough Road site.

If you missed the event and would like to see a copy of the display boards, you can download them from the website.

Alternatively, you can view a physical copy of the boards in the Roehampton Library, along with all the display boards from the open sessions for the evolving Masterplan which took place at the end of September.
