

MEET REDROW AT ROEHAMPTON'S FEEL GOOD FESTIVAL

POSTED: 18/07/2017

This year's Feel Good Festival is taking place at Danebury Avenue Green, on the afternoon of Saturday 29th July. Local people attending will be able to meet the team working on the regeneration of the Alton area – including representatives of Wandsworth Council's partner, Redrow Homes. The project team will be inviting people to get involved in forthcoming public consultations on design and other matters.

The Feel Good Festival has been running for more than a decade and is organised by local charities Regenerate and Regenerate: RISE with sponsors including Redrow Homes, the Roehampton Club, and Wandsworth Council.
